Collecting Handwriting Samples

One of my many SpIns

a quick explainer

Quick intro

One of my SpIns (special interests) is to collect handwriting samples for my design-reference anti-library.

Example

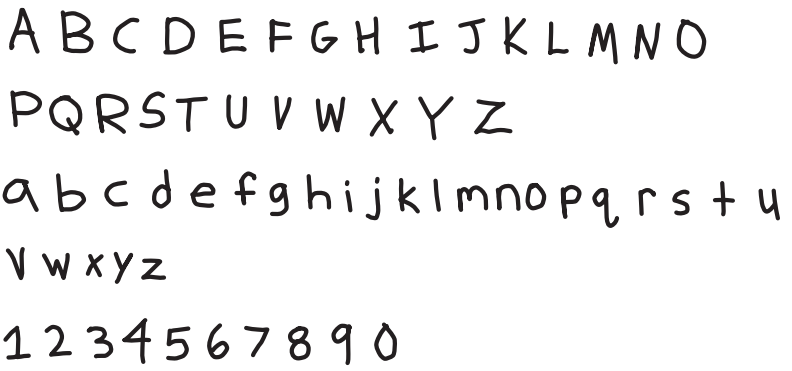

Figure 1: A trace-in of a handwriting sample given to me by a friend.

What can be done with the handwriting samples?

There are many possibilities:

- Typefaces / fonts
- Lettering templates
- Stylized titles
- Creative inspiration
